A Message from the Mayor

On behalf of Johnstown's elected Council and appointed officials, welcome to "The Community That Cares." We're glad that you've chosen to call Johnstown home.

As a lifelong Johnstown resident serving as Mayor, I can proudly attest to the greatness of our small town. Johnstown is a prospering, agriculturally-rooted community that continues to grow and thrive. Ranked THE safest city in Colorado in 2017 for home safety and security, Johnstown has much to be proud of, while also looking forward to a bright future ahead.

Thanks to our one-of-a-kind local heritage, Johnstown offers the close-knit character of Colorado, along with uninterrupted views of the majestic Rocky Mountains, easy access to mountain recreation, great schools, access to quality health care, and so much more.

I encourage you to stay in touch with all that is happening through Town Council meetings, our website, quarterly Town newsletter, "The Lowdown," and by liking the Town of Johnstown's growing Facebook page.

On the reverse side of this flyer, find helpful resources that will assist you with settling in to your new home. We look forward to you joining our community as we continue to strive to provide our citizens with a quality of life and services second to none.

Sincerely,

Mayor Gary Lebsack
