Johnstown Community YMCA Hosts Topping Ceremony on Aug 10

[Johnstown, Colo.] — On Saturday, Aug 10, 11am-1pm, the Johnstown community will gather to celebrate as the final piece of steel is added to the Johnstown Community YMCA.

The Basics:

Johnstown Community YMCA Topping Ceremony
Aug 10, 11am-1pm
165 Settler Way
Johnstown, CO

The event will include the beam signing, a bounce house, food and guided tours of the building in progress. During the event, the community is invited to sign the beam that will be positioned over the lobby of the Johnstown Community Y; the beam will also be available for signing in the Johnstown Town Hall through Aug 9.

"This fun event signifies another milestone on our way to opening a great community recreation center!" said Johnstown Mayor Gary Lebsack.

Adolfson & Peterson Construction will be offering site tours to anyone who is interested. As a safety precaution, we ask that tour participants stay together and follow the tour guide at all times.

H&E Equipment Services will be providing hot dogs, hamburgers, and refreshments, and Arapahoe Rental is donating canopies, tables and chairs for the event.

"On behalf of the Y, I would like to thank the town of Johnstown and Adolfson & Peterson Construction for being incredible partners on this project," said Keith Williams, Executive Director of Johnstown Community YMCA. "The topping ceremony will be an incredible way for the community to make their mark on this building and to literally become a part of its structure. It's a beautiful thing."

YMCA staff will also be available to answer questions, provide information on fall programs and add community members to a YMCA email list.

About the YMCA of Northern Colorado

The YMCA of Northern Colorado is a nonprofit organization that strengthens the foundations of community. We do that through programs that focus on youth development, healthy living and social responsibility. More than 50,000 youth, families and adults from all walks of life are served annually by the YMCA of Northern Colorado. Our facilities include the Mapleton Y in Boulder, the Ed & Ruth Lehman Y in Longmont, the Arapahoe Y in Lafayette, Camp Santa Maria overnight camp in Bailey and soon, the Johnstown Community YMCA in Johnstown.
